ABOUT THE CONFERENCE

The aim of the conference is to bring together academic researchers to celebrate the International Women's Day by promoting pluralism in economics, finance and management. We invite submissions from all researchers, regardless of their gender, interested in orthodox and heterodox approaches in their fields.

The main focus of the conference is:

I

Issues of climate change
(green finance, sustainable Finance, sustainable development etc.)

W

Women's perspectives
(feminist economics, female leadership etc.)

D

Digital economy
(fintech, financial innovation, policies, information, games industry etc.)

We are proud to announce
that the 5th Jubilee edition of the IWD Conference
has received financial support of
the Polish Ministry of Higher Education in the programme:
